Dear Parent/Guardian,

This letter is to inform you that 15 points have been taken from my conduct card this trimester. These points have been deducted by my teachers because I have not been as responsible as I can be.

I understand if five (5) more points are deducted from my card, I must remain after school for a detention. I also understand that for each additional five (5) points deducted from my card I will receive a detention.

Please help me to do better by talking with me daily about how things are going at school and by checking my work.

This letter must be signed and returned to my teacher tomorrow.

Thank you.
